

Drooms User Certificate

Virtual data rooms offer numerous advantages. They simplify workflows, help to cut costs, save considerable amounts of time, and increase data security. To fully exploit these benefits as well as learn how to successfully navigate our platform, individual workshops to become a **certified data room specialist** are now available with Drooms. Our dedicated trainings teach you how to work even faster and more efficiently on Drooms and enable you to round off your personal profile with an additional qualification.

In a workshop tailored to your level of experience, you can, for example, develop your knowledge and skill set in the following areas:

About Drooms:

- > Company overview
- > Digital services: Drooms PORTFOLIO and Drooms TRANSACTION

Administrative activities:

- › First log-in via email and web browser
- › Using the Drooms app
- › Legal protection for data room content
- › Extending, closing and terminating the data room
- › Archiving data room content and re-uploading documentation to a new data room

User management & permissions:

- › Quick and simple adding of individual users or several user groups
- › Setting up of authorisations at index and document level

Features:

- › View and assign document statuses
- › Search & filter to track down documents quickly
- › Discover different preview options in the data room
- › Insert comments and highlights
- › Translate documents into different languages
- › Brand your data room with your own logo
- › Configure an individual Q&A for an optimal communication flow
- › Use dynamic and personalised document watermarks

Customer Service:

- › Availability and services

Make your daily work a source of pride!

After passing the assessment at the end of the workshop, you will receive:

- › A **Drooms User Certificate** as proof you have qualified as a data room specialist
- › Access to a **LinkedIn Group for data room specialists** to announce your certified data room user status to your professional network
- › A **digital badge** as proof of competency for your CV
